Dear Car Enthusiast,

We hope this letter finds you well. We wanted to share some details with you and ask your support for a very special cause that is close to our hearts.

Our fellow Bethel Park graduate (1980) and classic car enthusiast, Gary Carmen, has recently received a devastating diagnosis of incurable sarcoma cancer. This is a rare and aggressive form of cancer, with only 1 percent of adults and 20 percent of children facing such a diagnosis.

In the face of this challenging journey, Gary has shown remarkable strength and resilience. Since this form of cancer is more prevalent in children, Gary, Jim Gastgeb, and Highpoint Fitness have decided to organize a car cruise to raise funds for St. Jude Children's Research Hospital, a place dedicated to finding cures and saving children's lives.

We believe that your presence and support at the car cruise event would make a significant difference. Your participation not only provides much-needed encouragement to Gary but also contributes to the critical work of St. Jude's in advancing research and treatment options for children battling cancer.

The event details are outlined on the front of this letter. Your support, whether through attending the event or contributing in any way you can, would be deeply appreciated. Please join us to support Gary and the vital work of St. Jude Children's Research Hospital.

If you have any questions or would like more information about the event, please feel free to contact info@highpointfitness.com. Thank you for considering our request, and we hope to see you at the car cruise to make a difference in the lives of children battling cancer.

Sincerely,

Highpoint Fitness
